

**IKO****TECHNICAL DATA SHEET****STOCK NO. 4150003****July, 2016****IKO LEADING EDGE PLUS**

Packaged at 18 strips per bundle, each IKO Leading Edge Plus strip is perforated down the center to provide two shingles. IKO Leading Edge Plus is made using our own quality raw materials to ensure optimum roofing quality, and is compatible with all existing IKO shingles. Installation information is printed on the package with easy-to-follow instructions. With IKO Leading Edge Plus, the majority of work is already done for you. Cut to size and perforated down the center, they're fast, easy and simple to apply. IKO Leading Edge Plus is conveniently packaged in easy-to-carry lightweight bundles. IKO's asphalt shingles are produced and designed with consideration for environmental responsibility and sustainability, incorporating quality recycled components whenever possible, manufactured in facilities that comply with the most stringent government environmental regulations, and can therefore be a part of any "green" construction project.
